Kakadu, Katherine & Litchfield Adventure

DURATION: 4 Days

Day 1: Darwin to Litchfield National Park and Mary River

Leaving Darwin, we head down the Stuart Highway towards Litchfield National Park. There we will see delightful freshwater waterfalls and swimming holes, as well as some impressively sized termite mounds. We will visit Florence Falls and Buley Rockhole, enjoy a picnic lunch before another refreshing swim at Wangi Falls, which is surrounded by an idyllic monsoon forest. From there we arrive at our campsite for the night and enjoy dinner. (L,D)

Day 2: Mary River to Kakadu National Park

After breakfast this morning, head to Kakadu National Park and discover ancient Aboriginal rock art in Ubirr. Your guide will lead an interpretive cultural walk through the numerous rock galleries, before you climb to the top of a lookout for views over the Nardab floodplain. This afternoon you have the option to take a scenic flight over Kakadu (at your own expense). The flight takes in views over the Arnhem Land escarpment, vast flood plains and billabongs. We will then further our understanding of the local Aboriginal culture with a visit to the Warradjan Aboriginal Cultural Centre. Tonight, relax by the pool at the Kakadu campground and enjoy a group dinner. (B,L,D)

Day 3: Kakadu National Park to Katherine and Nitmiluk National Park

This morning we spend time exploring Kakadu's other major Aboriginal rock art site – Nourlangie (Burrungui), while your guide provides a glimpse into how the local Aboriginal people live. We then head to either Maguk (Barramundi Gorge) or Gunlom Falls and cool off with a dip in the plunge pools. After lunch we head south and stop to visit the historic gold-mining centre of Pine Creek before continuing on to Katherine, where you'll settle in for the night at a private campsite near Nitmiluk National Park (Katherine Gorge). (B,L,D)

Day 4: Nitmiluk National Park to Darwin

Depending on the season, head out on a morning cruise along the inky waters of Katherine Gorge, or canoe between red rock walls that are up to 70 metres high (both of these activities are optional and at your own expense). This 23 million-year-old landscape was formed by the Katherine River, which flows from Arnhem Land out to the Timor Sea. After lunch we head to the beautiful Edith falls for one last refreshing swim in the huge plunge pool before we hit the road back to Darwin, where your adventure comes to an end on arrival. Perhaps enjoy one final group dinner in town and toast to your adventure with your new friends. (B,L)

7 Day Adelaide to Alice Springs Explorer

DURATION: 7 Days

Day 1: Adelaide to Flinders Ranges

First stop is the culinary epicentre of the State's capital, the 'Adelaide Central Market'. We'll meander through the markets to collect some local produce that we can enjoy it a little later in the day. It's only a short drive to Australia's Aboriginal Cultural Institute, 'Tandanya'. The First Nation precinct provides a wonderful opportunity to experience both traditional and contemporary Aboriginal and Torres Strait Islander art. Time to leave the state's capital and head north to the Clare Valley, home to some of the country's best wines. Enjoy some lunch accompanied by some wine purchased at a local Clare Valley cellar door (optional). After lunch enjoy the expansive views of the Flinders Ranges as you drive towards Wilpena Pound, a natural amphitheatre of rocky mountains. Experience the sunset at Wilpena Pound, and the possibility of a flight over 'The Pound' too (optional). Settle into your accommodation at your original style accommodation at Rawnsley Park. (L,D)

Total driving time: Approximately 6 hours
Included activities: Adelaide Central Markets, Tandanya Gallery and winery visit

Day 2: Wilpena Pound and Quorn

Fancy an early start? Take a short and leisurely walk on one of the many tracks in Flinders National Park. Spanning 450km we won't be able to do it all but your guide will select a walk that's most suitable to the group and the time of the year. We travel onto Yourambulla Caves site to view some local First Nation rock art, before stopping for lunch at Quorn. We'll spend the afternoon on a couple of walks: Dutchman's Stern provides a reward-for-effort experience with an outstanding 360 degree panoramic views at the end of the walk; whilst Warren Gorge provides stunning complementary orange rock face against the blue skies, and home to many rock wallabies. We overnight at the quintessential South Australian town of Quorn. (B,L,D)

Total driving time: Approximately 3.5 hours
Included activities: Yourambulla Caves, Dutchman's Stern and Warren Gorge

Day 3: Quorn to Coober Pedy

Leave Quorn in the rear-view mirror and head to Coober Pedy, the 'Opal capital of the world'. Due to extremely hot temperatures and many of the locals' strong digging skillset (mining for opals) most of the town inhabitants live underground, with residents living in homes carved into the hillsides. Upon arrival take a guided tour of the town, an underground house and the opal mine (with opal cutting demonstration). The rest of the afternoon is free to explore. You may even like to try your hand at 'noodling' (fossicking) for opals. End the day with some rescued joeys at Josephine's Gallery and Kangaroo Orphanage. Overnight in Coober Pedy. (B,L,D)

Total driving time: Approximately 6 hours
Included activities: Coober Pedy Mine tour, Josephine's Gallery and Kangaroo Orphanage

Day 4: Coober Pedy to Yulara

We'll be honest, there's a fair bit of driving today. From Coober Pedy we travel across the Moon Plains, past the Dingo Fence, Breakaways Reserve, and cross to border into the Northern Territory. Be prepared to 'hold-on' as your guide hits the indicator on the vehicle for the first time, leaving the Stuart Highway and turning left onto the Lassetter Highway towards Uluru. Make sure you have your iPod fully charged and your neck cushion handy. (B,L,D)

Today driving time: Approximately 8.5 hours.
Included activities: Dingo Fence

DEPARTURES: Wednesdays (Year round)

FROM: Select Adelaide accommodation – 8:00am

FINISHES: Select Alice Springs accommodation – early evening day 7

MAX PEOPLE: 24

Day 5: Uluru and Kata Tjuta

Rise early this morning and be rewarded with a glorious Uluru sunrise. While the day is still fresh, enjoy a walk around the base of this incredible sandstone formation, which is of great spiritual significance to the Anangu people. We walk to the cave paintings near Mutitjulu Waterhole at the base of Uluru where you will be in the hands of an Anangu guide* who will share the stories of this unique landscape and explain the Art, the Culture and connection to Land. This exclusive experience will give you an exclusive insight to the meaning behind Anangu art and traditional culture. The on-site Cultural Centre also houses an extensive collection of Aboriginal and Torres Strait Islander arts and crafts for you to browse. Head back to camp for lunch. (B,L,D)

Total driving time: Approximately 1 hour (in total between destinations)
Walk distance: Approximately 5km (Uluru Base Walk)
Included activities: Uluru & Kata Tjuta National Park Entrance, Uluru Base Walk, Uluru Cultural Centre, Kata Tjuta and Maruku Arts cultural experience

Day 6: Uluru to Kings Canyon (stay at Kings Canyon Original camp)

Today, explore one of the Red Centre's greatest treasures: Kata Tjuta. The Olgas, as they're also known, are a group of domed red rocks rising spectacularly out of the desert. Like Uluru, they're sacred to the Anangu people and are believed to be 500 million years old. Return to camp for lunch before travelling to Watarrka National Park (Kings Canyon). Spend the night in an exclusive campsite inside the park. (B,L,D)

Total driving time: Approximately 6 hours
Walk distance: Approximately 2km
Included Activities: Watarrka National Park Entry Fees

Day 7: Kings Canyon to Alice Springs

With its 300-metre high sandstone walls, hidden waterholes, fern forests, chasms, canyons and caverns, Watarrka National Park is central Australia's answer to an oasis. The highlight attractions here are the Garden of Eden, the Amphitheatre and the Lost City – all sites you'll get to visit on the Rim Walk. Following lunch it's back on the road for the onward drive to Alice Springs, where this adventure concludes. (B,L)
